### Day 1, Nov 04, 2017 (D):

#### Savona

Arrive in Savona, Italy until midday and embark the Costa Favolosa with David Hasselhoff. Our team of GEO Reisen welcomes you in the charming harbor town and will assist you with embarkation. The "Costa Favolosa" is counted among the most modern and luxurious cruise ships of the Costa fleet. Departure 04:30 pm.

### Day 2, Nov 05, 2017 (B, L, D):

#### Civitavecchia / Rome

Landing: 09:00 am. It is not far to Rome from the port of Civitavecchia. History, unparalleled artistic treasures, city quarters that give the impression of small villages and an enviable mix of "carpe diem" and "la dolce vita" awaits you here. This most impressive old city is unequalled in terms of the monuments, gardens, villas and artwork it offers: among other sights

you can visit the Colosseum, the Capitol, St. Peter's Basilica and the ancient Ostia. Ostia itself offers the famous mosaic in the Neptune Thermae, the Theatre, the Temples of Roma and Augustus, and the Forum with the remains of the Capitol, the most important temple in ancient Rome. Enjoy the incredible offer of sights, feel the energy of the city and do as the Romans do: find a place to sit somewhere with an espresso or a glass of wine and watch the world pass by. Departure: 07:00 pm. **Concert of David Hasselhoff at 11:00 pm.**

"Familia" with a layout resembling a cross and the gothic cathedral "La Catedral" on the "Pla de la Seu" square. It is dedicated to St. Eulalia, who is worshiped as a martyr and whose grave can be found in the cathedral's crypt. The famous market "Mercat de la Boqueria" offers an impressive display of fish and seafood and is very much worth a visit. You can also shop products like olive oil, cheese, honey, fruits and meat at reasonable prices. Other popular tourist destinations include the famous shopping avenue "La Rambla" in the center of Barcelona and the impressive Park Güell. Take a trip with the cable car from Montjuic hill to the harbor and enjoy the beautiful views of the city. Autograph session with David Hasselhoff at 04:00 pm. Departure: 07:00 pm.

### Day 5, Nov 08, 2017 (B, L, D):

#### Marseille

Landing: 09:00 am. Marseille, the oldest and second largest city in France, is one of the most important ports in Europe. Today Marseille appears colorful and dynamic. A quarter of the multicultural population is from North Africa. This reflects in the numerous spice bazaars, hammams and shisha cafes. Why not enjoy the famous Marseille style fish soup in the old harbor? Fresh seafood, bought at fish market on "Quai des Belges", is served in the numerous restaurants. Just a stone-throw away from the old harbor stands the impressive "Cathédrale de la Major": do not miss the original sculptures from 11th century in the nave. Just outside the city center, the city's landmark "Basilica Notre Dame de la Garde", a church of pilgrimage, can be found. It is located at the highest point of Marseille, from where you can also enjoy a breathtaking view of the harbor and the entire city. Departure: 07:00 pm.

**Exclusive farewell concert with interview session and the best scenes of his movies – David Hasselhoff up and personal with his fans!**
